"The Thinkers of the Country Are the Tobacco Chewers"-

said one of the greatest thinkers this country ever produced.

Kooping the Keen Edge

The men who wrote and printed this paper you are reading must be on "the keen edge" every minute of the working day. So must every man who is truly successful.

There is no better "controller" of nerves and mind than a mild tobacco—the PICNIC TWIST sort

Former users of black, rank tobaccos are becoming PICNIC TWIST chewers. They are finding in PICNIC TWIST a softer, sweeter chew with a long-lasting lawor, milder than they imagined tobacco could Why should they risk the strong tobacco's come-back on the nerves?

If you want a tobacco you can chew all day long without feeling it, PICNIC TWIST is your meat.

You Too Should Buy This Car Because

Point for point right down the list this car is dollar for dollar the dominant value in this year's remarkable market.

This is not a mere claim.

It is a verdict.

Very quickly this car outsold any car ever built with a wheelbase of more than 100 inches.

Then came a performanc test of unprecedented magnitude—a record output in everyday service.

The verdict was swift and sure.

On top of this record sale, buying continued in everincreasing, volume. It is a clear case of dominant value exclusively
